TEACHING & EVALUATION PLAN

01 - LATENESS

Be on time. Two instances of arriving late (more than 15 mins) count as one absence.

02 - ABSENCE

- Four absences automatically disqualify you from class, resulting in an F.
- The instructors are not required to make up any exams or activities that occur on the day students are absent from class. An exception is made for the student who is absent from illness with a medical certificate.

03 - PLAGIARISM

The Honor Code requires that work you turn in for assessment is the product of your own individual synthesis or integration of ideas. Plagiarism means copying or paraphrasing someone else's ideas or words and presenting them as your own without proper attribution of the sources, including those from the Internet. Other forms of dishonesty or cheating, such as using your work from one course to resubmit in another course are also forbidden. Any students caught plagiarizing or committing other forms of cheating will receive an F on that assignment, regardless of any explanation.
